

12v 80a lithium battery pack

ESS

40.96kWh

61.44kWh

Overview

What is a 12V / 80ah battery?

Charging Current 12V | 80Ah battery is a high-rate general purpose battery suitable for UPS/EPS, medical equipment, emergency and security system applications.

What is a 12V lithium ion battery pack?

A 12V lithium ion battery pack is a battery pack made up of three or four lithium batteries connected in series and several lithium batteries connected in parallel. This configuration allows the capacity of a 12V lithium battery to be customized.

How much does a Rb80 battery weigh?

The RB80 is ideal for applications where you need a lot of power for a longer period of time. At only 25 pounds, this lithium iron phosphate battery is a safer, more lightweight alternative to lead-acid in a variety of deep cycle applications including marine, RV and solar, among others.

What is a Rb80 battery used for?

Also great for powering pop-up trailers and truck campers The RB80 is ideal for applications where you need a lot of power for a longer period of time. At only 25 pounds, this lithium iron phosphate battery is a safer, more lightweight alternative to lead-acid in a variety of deep cycle applications including marine, RV and solar, among others.

Is a 12ah lithium battery better than a 48AH battery?

Thus a 12Ah lithium battery would perform closer to a 48Ah lead-acid battery rating for higher discharge currents and life performance. Ionic's lithium-ion batteries have 1/3 the internal resistance of a similar capacity lead-acid battery and they can be safely discharged to 90% DOD.

Will a 12ah lithium battery damage a lead-acid battery?

Going below 50% DOD will damage a lead-acid battery, even if they claim to be a deep discharge battery. Thus a 12Ah lithium battery would perform closer to a 48Ah lead-acid battery rating for higher discharge currents and life performance.

12v 80a lithium battery pack

[Amazon : GuaiGLong 12V 120Ah LiFePO4 ...](#)

About this item High-Capacity Lithium Iron Phosphate Battery: This 12V 120Ah lithium battery packs impressive power into a compact design, ...
