

# **African photovoltaic module inverter manufacturers**

## Overview

---

Who is the best inverter manufacturer in Africa?

For decades we have been actively servicing the African photovoltaic market. Manufacturers with outstanding product quality are counted among our Premium Partners. Leading the inverter shipments statistics for the past 4 consecutive years, Huawei developed to the largest inverter manufacturer globally.

Where can solar energy be used in Africa?

In agriculture, the Dube TradePort IDZ in Durban, the Cape Span and the Rooibos Ltd. plants in the Western Cape where solar electricity is used to provide renewable energy in the production of agricultural supplies with lowered carbon emissions.

Who is the largest inverter manufacturer in the world?

Leading the inverter shipments statistics for the past 4 consecutive years, Huawei developed to the largest inverter manufacturer globally. Highly efficient inverters for residential, commercial and utility photovoltaic systems. Founded in 2005, JA Solar provides today manufacturing capacities ranking in the top 3 manufactures globally.

What is M-kopa Solar?

M-KOPA is a Kenyan-based company that provides solar power systems to off-grid communities through a pay-as-you-go model. Since its inception, M-KOPA has connected over 750,000 homes in East Africa to solar power, offering an affordable alternative to traditional energy sources.
