

# **Australian large inverter sales manufacturer**

## Overview

---

GoodWe has won the accolade of being 2025's No. 2 Inverter Manufacturer and Top 5 Battery Manufacturer in Australia, as per the rankings released by Sunwiz. This bears witness to strong sales performance of the inverters and batteries across the country, and also reflects the consumer trust. What are the best inverter manufacturers in Australia?

this article provides a list of the top 10 best inverter manufacturers in Australia, such as; Sungrow, Huawei, Delta, SMA, Fimer, GE Vernova, Sunways, Goodwe, Fronius, Enphase. Last Updated on December 15, 2024 by Joseph Australia is now one of the most promising markets for energy storage, with many large energy storage projects already in place.

Who makes solar power inverters in Australia?

Australia, with its abundant sunlight and progressive energy policies, provides a fertile ground for solar power inverter manufacturers. The companies discussed above—Invertermanufacturer.com, Selectronic, ABB, SMA, AERL, and Power-One Aurora—are notable players in this vibrant market.

Which solar inverter should I buy in Australia?

In Australia, top brands like Fronius, SMA, SolarEdge, and Sungrow provide reliable and efficient inverters for different solar setups. When picking an inverter, it's important to consider factors such as your system size, performance needs, and budget.

Are AERL solar inverters Australian made?

AERL's inverter range includes models designed for various applications, such as residential solar systems, remote power systems, and larger, grid-connected solar power plants. Their inverters are Australian made, specifically designed to withstand the harsh and varied Australian conditions.

Who makes Ge solar inverters?

GE started selling its solar inverters in 2021, even though the company has been around for over 120 years. Interestingly, the first place to get these products was Australia. Plus, GE has a special licensing deal with GoodWe, so all GE inverters are made by GoodWe.

Who makes Sungrow Power inverters?

In 2011, Sungrow Power reached an important goal by becoming one of the top ten companies in the world for PV inverter shipments. One off-site manufacturer is Sungrow Australia Group Pty. Ltd, which is part of Sungrow Power Supply Co, Ltd. The office of Sungrow Australia has been located in Sydney since 2012.
