

Bolivian Energy Storage Equipment Transformation Company

Overview

Where is the largest lithium-ion battery storage system in Bolivia?

The site in the municipality of Baures, Bolivia. Image: Cegasa. The largest lithium-ion battery storage system in Bolivia is nearing completion at a co-located solar PV site, with project partners including Jinko, SMA and battery storage provider Cegasa.

Can Bolivia become a green energy superpower?

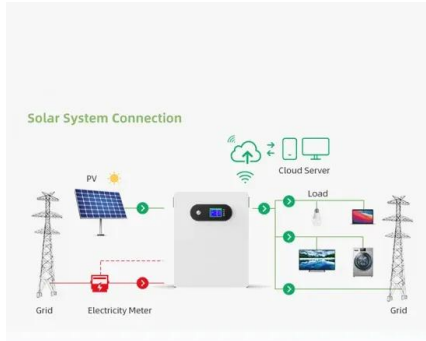

The partnership between MOBI and EnergyX highlights the thriving innovation environment in Bolivia, and will take the country one step closer to becoming a green energy superpower.

Can Bolivia become a global powerhouse in electric micro-mobility?

MOBI CEO Ariel Revollo: “Latin America has the capacity to become a global powerhouse in electric micro-mobility, and we believe Bolivia can be the leader of this transition.
