

# **Bosnia and Herzegovina new energy storage equipment manufacturer**

## Overview

---

In 2016, the Chinese company Dongfang International Corporation completed construction of the Stanari coal-fired power plant in the RS. The project was a collaboration of the Chinese Development Bank (CDB), the energy company EFT Group, Dongfang International Corporation, and the RS.

Electric power generation is a key sector of economic activity in BiH. Electric power is primarily generated in coal-fired thermal and large-scale hydro power.

BiH's electrical grid has suffered from decades of neglected maintenance and a lack of investment. The European Bank for Reconstruction and Development.
