

Cuba s outdoor energy storage solution

Overview

ATESS is playing a key role in Cuba's renewable energy transformation by offering advanced energy storage solutions that address grid instability, enhance energy independence, and maximise the use of solar resources.

Cuba s outdoor energy storage solution

Cuba Accelerates Solar Expansion with 2,000 MW Plan by 2028

Cuba launches new solar parks aiming for 2,000 MW by 2028, tackling energy crisis with Chinese-backed tech and renewable energy investments.

Email Contact

Cuba promises solar energy, lacks battery storage solutions.

Cuba aims for solar energy growth, but lacks essential battery storage. Explore the challenges and solutions. Act now for change!
