

# **East Africa Huijue Commercial Large Energy Storage Power Supply**

## Overview

---

What are Huijue's commercial and industrial energy storage solutions?

Huijue Group's commercial and industrial energy storage solutions offer capacities ranging from 30 kWh to over 30 MWh. These solutions cover most commercial applications, such as electricity cost management, photovoltaic self-consumption, backup power scenarios, microgrids, and off-grid applications.

Who is Huijue group?

Huijue Group offers industrial and commercial energy storage, PV-BESS -EV Charging, Off-grid / On-grid Microgrid, telecom site solutions, and home solar energy storage, ensuring reliability, efficiency, and eco-friendliness.

What is Huijue off-grid solution?

Huijue Off-Grid Solution integrates photovoltaic, energy storage, and off-grid systems for scalable energy self-sufficiency. The Huijue Group Off-Grid Solution comprises three main components: photovoltaic systems, energy storage systems, and off-grid systems, enabling energy self-sufficiency.

What is a Huijue system?

Ranging from 5kWh to 20kWh, it caters to households of varying sizes. It reduces electricity bills and serves as emergency backup power, providing a seamless, intelligent, and one-stop energy solution. Compact and reliable Huijue systems provide energy independence and efficiency for modern homes.

## East Africa Huijue Commercial Large Energy Storage Power Supply
