

East Africa Solar Power Project

LiFePO₄

Wide temp: -20℃ to 55℃

Easy to expand

Floor mount&wall mount

Intelligent BMS

Cycle Life:≥6000

Warranty:10 years

East Africa Solar Power Project

Top 5 Renewable Energy Projects in East Africa

With the capacity to generate 2.5 MW of solar power, the project will significantly improve access to electricity on the islands, reducing the need for diesel generators and ...
