

El Salvador Telecom Container Wholesale

Overview

Does El Salvador have a telecommunication sector?

El Salvador's telecommunication sector has operated under a privatized legal and institutional framework since 1997, encouraging competition in most areas and allowing foreign investment.

Which country imports the most ICT goods in El Salvador?

Source: World Bank Indicators Units: USD millions The United States is among the top three sources of ICT goods imports in El Salvador, with 4.7% of the imports market share in 2022; China leads with 66.6%, followed by Mexico with 15% of the market share.

Why is mobile penetration so high in El Salvador?

Mobile penetration is remarkably high considering El Salvador's economic indicators, higher than the average for Latin America and the Caribbean. The growth in fixed-line services lowered in the face of mobile-cellular competition; fixed lines were 862,717 in 2022.
