

# **Huawei Mauritania Energy Storage Battery Project**

## Overview

---

This procurement aims to integrate a grid-connected BESS in northern Nouakchott, supported by an energy management system, civil infrastructure, electrical connection to the national power grid, and training/skill transfer activities.

## Huawei Mauritania Energy Storage Battery Project

---

### [Mauritania Leads with World Bank-Backed DREAM Project](#)

Part of the initiative is the construction of Mauritania's first utility-scale battery energy storage system, designed to maximise the country's vast solar and wind resources for stable and ...
