

Huawei photovoltaic inverter exports

Overview

According the data of China Customs, Huawei exported 113,086 inverters in the first half of the year and ranked No.1 among the Chinese inverter manufacturers. Growatt came after Huawei in the second place with 86,153 inverter exports, and Ginlong Solis in the third place with 78,114 inverter exports. How many solar inverters did Huawei export in 2019 H1?

The global solar market is booming, and the Chinese inverter exports reach a record level in 2019 H1. According the data of China Customs, Huawei exported 113,086 inverters in the first half of the year and ranked No.1 among the Chinese inverter manufacturers.

Where can I buy a Huawei solar inverter?

Shop Huawei solar inverter for your PV system. Huawei solar inverters for every system size at the best price with worldwide delivery on Europe-SolarStore.com.

What is a Huawei inverter?

Huawei inverters are becoming a benchmark for solar energy in residential and commercial applications. Huawei is a well-known brand in the solar energy sector.

Which inverter manufacturer exports the most in China?

According the data of China Customs, Huawei exported 113,086 inverters in the first half of the year and ranked No.1 among the Chinese inverter manufacturers. Growatt came after Huawei in the second place with 86,153 inverter exports, and Ginlong Solis in the third place with 78,114 inverter exports.

Who exports solar inverters to Australia?

In Australia, Solis, Growatt, GoodWe and SolaX have taken a good pie of the market, all exporting over 10,000 inverters to the region. Australia started

encouraging the development of solar energy back in 2001, the same time when China stepped in to promote the growth of the industry.

Where do Chinese Inverters come from?

In Americas, Argentina, Brazil and Mexico are the main destination of Chinese inverter exports. The growing Mexican solar market has imported a good number of inverters from Growatt, GoodWe and Solis. Brazil has also seen strong competition of the Chinese inverter brands.
