

Huawei photovoltaic panels in Laos

Overview

Where are Huawei solar inverters sold?

As of now, JJ-LAPP is the sole distributor for Huawei's solar inverters in Cambodia, Myanmar and Laos, and will take over all existing customers and leads in these countries. "Huawei has been at the forefront of the digitalisation of the renewable energy market, along with recent advances in artificial intelligence.

What makes Huawei a great inverter supplier?

As the largest inverter supplier from 2015 to 2019 globally for 5 consecutive years, Huawei is committed to building efficient, smart O&M, safe, reliable and grid-supporting Smart PV plants, and helping customers maximize the return of investment over the plants' lifetime.

How do I find a smart photovoltaic distributor?

Find the nearest smart photovoltaic Distributors online, enter the relevant keyword information to search for, and search online to find the Distributors's company address, telephone number, e-mails, website and other information.
