

# Huijue brand inverter 60V with a full power of 3000 watts

## BASIC APPLICATION

Storage systems have been proven to be "extremely lucrative" for commercial and industrial (C&I) filed.

## Overview

---

What is Huijue group's new generation of smart energy solutions?

Huijue Group's new generation of smart energy solutions integrate green energy systems, advanced intelligent control systems and services to achieve energy saving at the sites, reduce energy consumption, and reduce carbon emissions.

Who is Huijue group?

We are a professional Manufacturer in China, and we are constantly innovating so that our customers can have better products and services. Founded in 2002, Huijue Group is a high-tech service provider integrating the integration and application of intelligent network equipment and intelligent energy storage equipment.

Who is Huijue network?

Founded in 2002, Huijue Group is a high-tech service provider integrating the integration and application of intelligent network equipment and intelligent energy storage equipment. Huijue Network products are exported to Europe, North America, Southeast Asia and other countries and regions, contact us now!.

Where are Huijue network products exported?

Huijue Network's products are exported to Europe, North America, Southeast Asia and other countries and regions. Since our founding in 2002, we've been committed to becoming a leader in the network link industry.
