

# Indonesia energy storage low temperature lithium battery

## BASIC APPLICATION

Storage systems have been proven to be "extremely lucrative" for commercial and industrial (C&I) filed.

## Overview

---

PLN and Indonesia Battery Corporation (IBC), the state-owned battery company, are working on another pilot project with a 5 MW energy storage system. PLN indicated that BESS technology will in the future be applied to all of its power plants.

## Indonesia energy storage low temperature lithium battery
