

Madagascar Energy Storage Wind and Solar Power Station

Overview

Global South Utilities (GSU) has secured agreements with Madagascar to develop a 50 MW solar plant and a 25 MWh battery energy storage system (BESS) in the island nation.

Madagascar Energy Storage Wind and Solar Power Station

Antananarivo Energy Storage Wind and Solar Power Station

This cutting-edge solar microgrid solution is tailored for remote islands, combining solar and wind energy with advanced energy storage inverters. It ensures uninterrupted power supply,
