

Manufacturer of iron-cadmium flow battery

Overview

Now that we got to know flow batteries better, let us look at the top 10 flow battery companies (listed in alphabetical order):

ESS Inc, the US-headquartered manufacturer of a flow battery using iron and saltwater electrolytes, has launched a new range of energy storage systems starting at 3MW power capacity and promising 6-16 hours discharge duration.

Manufacturer of iron-cadmium flow battery

'All-iron' flow battery maker ESS Inc launches 'configurable' megawatt

ESS Inc, the US-headquartered manufacturer of a flow battery using iron and saltwater electrolytes, has launched a new range of energy storage systems starting at 3MW ...
