

# **Moldova battery energy storage system supplier**

## Overview

---

California-based Tetra Tech's energy specialists will integrate what they call an innovative, utility-scale battery energy storage system (BESS) into Moldova's electricity system to help strengthen Moldova's national power grid and facilitate greater electricity trade with Romania, Ukraine and the broader European market.

## Moldova battery energy storage system supplier

### US to invest EUR78.6 million in battery energy storage system in Moldova

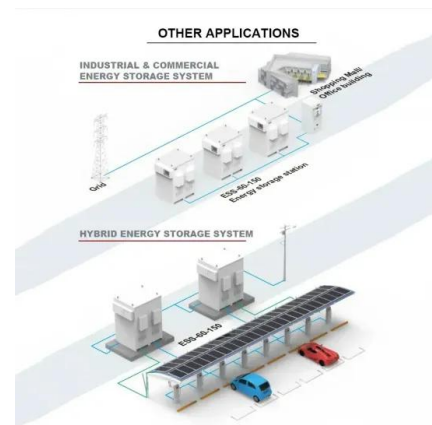

The US will invest EUR78.6 million in a large-scale battery energy storage system in Moldova to enhance the country's energy resilience.
