

Namibian Solar Energy Storage Products Company

Overview

Since inception in 2015, now close to a decade of experience in the renewable energy sector, NESS always stood for quality and reliable photovoltaic energy systems, regardless of size and the project's geographic location - This includes off-grid solar energy systems, grid-tied, hybrid, water pumping, water heating systems as well as tailor made backup power systems (uninterruptible power suppliers).

Namibian Solar Energy Storage Products Company

Our Services

We will power up your business sustainably with our commercial solar installations, tailored to meet the unique energy demands of your commercial enterprise, reducing costs and ...
