

Nordic lithium energy storage power supply sales

Overview

What does Nordic batteries do?

We develop battery modules, racks and energy storage systems designed to power industrial applications across challenging sectors, including construction, maritime, defence, and grid systems. At Nordic Batteries we focus on what is important: safety, reliability and performance.

What is the Nordic battery value chain?

The battery value chain builds upon Nordic traditional strongholds such as automotive, maritime, chemicals, manufacturing and mining. Actors within the Nordic battery ecosystem are active on global markets with strong ambitions and devotion to sustainability.

What is the Nordic battery collaboration?

The Nordic Battery Collaboration is a key initiative. The decision to carry out this report was taken by Business Sweden, Business Finland, Innovation Norway and the Swedish Energy Agency together. All parties are financing the report. The report is conducted by Business Sweden.

Who is Helios Nordic energy?

Stockholm. 2024.12.18 - Helios Nordic Energy, a leader in utility PV and BESS project development in the Nordics, has successfully completed the sale of a 10MW Battery Energy Storage System (BESS) located outside the city of Södertälje.

Are Nordic batteries looking for a development engineer?

Nordic Batteries are seeking a development engineer for mechanical construction and system design. Factor 47 is operative! The pilot line where Nordic Batteries will produce their first battery modules is now officially open after the visit from former Prime Minister Erna Solberg where she cut the banner to kick it off.

Who makes energy storage solutions based on lithium-ion batteries?

Swedish company providing energy storage solutions built on lithium-ion batteries. Founded in 2015, approx. 97 employees* Swedish developer of graphene-based anode material for lithium-ion batteries, founded in 2021. Chinese-based company to establish a production facility of separator film in Sweden. Registered in Sweden in 2021*
