

Nordic power inverter manufacturer

Overview

Welcome to Nordic Inverters, a leading provider of advanced solar inverters and energy storage solutions. Our mission is to empower businesses and homeowners to harness the power of renewable energy, paving the way for a sustainable and greener future. Does nordac Link offer a frequency inverter?

Within the NORDAC LINK family we also offer a corresponding Frequency Inverter with integrated PLC, which optimally provides functions close to the drive. Find out more about NORDAC *LINK* Motor Starters. Frequency inverters and motor starters from NORD DRIVESYSTEMS operate quickly, reliably and safely.

What is a Nord frequency inverter & motor starter?

NORD Frequency Inverters and Motor Starters are ideal both for centralised operation in a control cabinet as well as for decentralized, fully integrated use directly on the motor. The inverters are Industry 4.0 ready, can be networked and with the internal PLC enable pre-processing of internal status data or data from externally connected sensors.

Why should you choose a Nord frequency inverter?

The Frequency Inverters provide extensive integrated safety and monitoring functions. Global As a NORD customer you benefit from a wide range of services, e.g. global support for planning and commissioning of your system as well as sales partners on all continents.

NORD Frequency Inverters: Intelligent and Easy to Connect

.

Are Nord frequency inverters Industry 4.0 ready?

The inverters are Industry 4.0 ready, can be networked and with the internal PLC enable pre-processing of internal status data or data from externally connected sensors. This enables remote status monitoring.

Reasons for buying NORD Frequency Inverters

.

How does solarnordics sell & distribute solar equipment?

The main segment within the solar industry, where SolarNordics sells and distributes solar equipment, are focused on solar panels, battery and power stations and inverters. SolarNordics distributes and sells through our website, but also through our direct sales team through a B to B sales motion.

Why should you choose a Nord plc?

The PLC integrated in the NORD decentralised drives enables the customer to design modular and autonomous production systems. The NORD CON tools simplify the entire installation process and allow for easy adjustment and operation of the technology. With optimised cabling, users can save system costs.

Nordic power inverter manufacturer

LiFePO₄

Wide temp: -20°C to 55°C

Easy to expand

Floor mount&wall mount

Intelligent BMS

Cycle Life:≥6000

Warranty :10 years

About us , nordic-inverters.It

Since its inception 13 years ago, Nordic Inverters has been an industry leader in the energy sector, providing high-quality services and solutions to clients across Northern Europe.
