Overview

Where to buy solar inverter?

Inverter.com online store provides a complete range of solar inverters for your photovoltaic system including on grid inverter (grid tie inverter), off grid inverter, micro inverter and solar pump inverter with lower cost. Choose inverter.com to buy your solar inverter benefit from the superior quality, best price and flexible delivery.

Can a solar inverter be installed outside?

IP42 – can be installed outside but must be covered and enclosed. The best place to put your inverter is in a cool garage. The worst place to install a solar inverter is in direct sunlight, as high temperatures will reduce the lifespan of your inverter considerably and also reduce its efficiency.

Can a solar kit support a complete off grid Solar System?

Each solar kit is built to support a complete off grid solar system, making it easier than ever to live off the grid with confidence. Whether you're just starting out or upgrading your current setup, we offer systems ranging from compact 1KW solar kits to powerful 200KW off grid solar systems.

How much does an off-grid solar kit cost?

Every off grid solar kit includes premium components like high-efficiency solar panels, MPPT charge controllers, and heavy-duty inverters—all pre-matched for optimal performance. Our solar kits are priced to make off-grid living accessible, starting at just \$2,666.00.

What are the different types of off grid solar systems?

Whether you're just starting out or upgrading your current setup, we offer systems ranging from compact 1KW solar kits to powerful 200KW off grid solar systems. Every off grid solar kit includes premium components like high-efficiency solar panels, MPPT charge controllers, and heavy-duty inverters—all

pre-matched for optimal performance.

What is included in the GS-star-200w solar panel kit?

The Grape Solar GS-star-200w solar panel kit includes: 3 x GS-STAR-200W solar panels, a 40 Amp Grape Solar Comet PWM charge controller, a XANTREX PROWATT 2000 WATT DC TO AC PURE SINE WAVE INVERTER, cables, and manual. A 12V deep cycle battery is not included.

Outdoor Inverter Solar Kit

Battery String-S224

- 1C Charge/Discharge
- Easy configuration and maintenance
- Power supply can be single battery string or parallel battery strings
