

Outdoor power supply brand share

Overview

What drives the outdoor power equipment market?

The outdoor power equipment market is driven by the rapid growth of construction industry. With global surge in construction activities, outdoor power equipment like landscaping tools, compact utility loaders and portable generators are also increasingly demanded by people.

How big is the outdoor power equipment market?

The outdoor power equipment market size was valued at over USD 34 billion in 2023 and is estimated to register a CAGR of over 5.5% between 2024 & 2032, driven by increase in demand for landscape and gardening services.

What are the key companies in the outdoor power equipment industry?

Some of the key companies in the outdoor power equipment industry include Husqvarna Group, Makita Corporation, Honda Motor Co., Ltd., Briggs & Stratton, and others. Organizations are focusing on integrating advanced technologies into their offerings to maintain competitive advantages.

Why are outdoor power tools becoming more popular?

As a result, there is increasing demand for other forms of outdoor power equipment such as trimmers, lawn mowers, chainsaws, and leaf blowers. Also, there is a growing trend toward sustainable landscape designing that promotes the use of environmentally friendly outdoor power tools, further driving market expansion.
