

# **Photovoltaic combiner box production company**

## Overview

---

Who is letop solar combiner box manufacturer?

We are LETOP, a professional Solar Combiner Box manufacturer. We have been deeply involved in the industry for 15+ years. With excellent R&D strength and advanced production technology, we provide high-quality and high-performance photovoltaic combiner box & related components to global customers.

What is included in a combiner box?

Each combiner box comes with advanced features including up to 1500V 400A UL Listed DC Disconnects and UL Listed Fuses from 10A to 56A, delivering unbeatable performance with utmost safety.

How many string configurations can a combiner box support?

The combiner box supports a maximum of 24 string configurations, it is suitable for 1500V DC system voltages. It features industrial-level protection design, including string monitoring, RS485 bus/standard MODBUS-RTU protocol, arc fault detection, and fast shutdown/fireman switch functions.
