

# Portable energy storage battery prices in Argentina

**LPR Series 19'  
Rack Mounted**

## Overview

---

Contract prices range from \$10,161 to \$12,815 per MW-month, with total expected investment exceeding \$540 million. CAMMESA's specifications had set a reference price of \$15,000/MW/month, but most bids came in well below that level.

## Portable energy storage battery prices in Argentina

---

### [Portable energy storage system Argentina](#)

Utility-scale energy storage can be made portable through trucking, unlocking its capability to provide various on-demand services. We introduce potential applications of utility-scale ...
