

# **Russian Bobo lithium battery outdoor power supply**

## Overview

---

Who makes Liotech batteries?

Liotech produces lithium-ion batteries and is considered as one of the top 10 battery manufacturers in Russia. Learn more in our article on what are lithium batteries used for. Liotech is subsidiary of RUSNANO that has a high-tech factory capable of producing large quantities of batteries for various purposes.

Where are lithium-ion batteries made?

China is confidently leading in the introduction of new technologies. As of 2020, lithium-ion battery cells are manufactured at 181 large megaplants (with a capacity of more than 1 GWh), 136 of which are located in China, and only 16 and 10 of them are located in the USA in Europe respectively.

How many companies are engaged in lithium batteries among purely component distributors?

In general, not so many companies are engaged in lithium batteries among purely component distributors. It is due to the peculiarities of this cargo. Data on them are presented in summary table 7. Table 7. Import of brokers in 2021 working in the component market (in USD).
