

A black, rectangular U100 Back-up Life Battery Module. The front panel features a digital display screen in the center. To the left of the screen are four buttons labeled 'RESET', 'MANUAL', 'POWER', and 'FUSE/20'. To the right of the screen are four buttons labeled 'MODE', 'ENTER', 'DOWN', and 'ESC'. Below the screen, there are two indicator lights: a red one labeled 'ALARM' and a green one labeled 'OK'. A silver handle is attached to the right side of the front panel. On the left side, there are two red terminal blocks for wiring. The text 'U100 Back-up Life Battery Module' is printed on the top left of the front panel.

A wide-angle landscape photograph. The foreground is filled with rows of solar panels, their dark surfaces reflecting the light. In the middle ground, a line of trees and a red barn are visible. The background features a range of snow-capped mountains under a bright sky.
