

# **Small wind solar and storage equipment**

## Overview

---

With a wind turbine, solar panels, and a bank of batteries, you'll be one of the few people in the world to have power 24/7, 365 days a year. You'll have the sun producing energy during the day, the wind gener.

## Small wind solar and storage equipment

---

### [The Philippines to Add 9.4 GW of Wind, Solar, and Energy Storage](#)

4 days ago· Solar, wind, and energy storage projects attracted significant attention in this auction. According to the auction rules, unallocated quotas--particularly those for floating solar, ...
