

# **South Africa Power Generation Equipment Container**

## Overview

---

What products does Africa power equipment (Pty) Ltd offer?

At Africa Power Equipment (Pty) Ltd we specialize in a few products that cater to a variety of industries, including mining, telecommunications and construction. Namely, generators, air compressors, water pumps, solar systems and lighting towers.

What is Africa power equipment?

Discover our range of industrial and commercial equipment, manufactured and distributed across the African continent. At Africa Power Equipment (Pty) Ltd we specialize in a few products that cater to a variety of industries, including mining, telecommunications and construction.

What makes our containerised solar power generation units special?

“What makes our containerised solar power generation units special,” says Tobias, “is our use of international lquality engineering and components, while still producing local content that allows us to offer a price advantage and local support. We pride ourselves that our energy solutions are made in Africa for Africa.”
