

# **Swedish power supply solar system model**

## Swedish power supply solar system model

---

### The Swedish solar system model

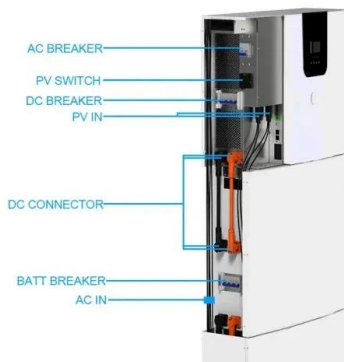

On a recent trip to Sweden, I discovered an epic scale model of the solar system spanning the entire country - the perfect destination for space lovers like myself!

### Lithium battery parameters

Product capacity: 100Ah

Product size: 135\*197\*35mm

Product weight: 1.82kg

Product voltage: 3.2V

internal resistance: within 0.5

### Sweden Solar System

The Sweden Solar System is the world's largest permanent scale model of the Solar System. The Sun is represented by the Avicii Arena in Stockholm, the largest hemispherical building in the ...
