

United Arab Emirates Panel-mounted Photovoltaic Power Generation Project

Overview

Begun in late 2017 and with a phased schedule of completions by 2030, Mohammed bin Rashid Al Maktoum Solar Park – with its 3 million photovoltaic panels distributed across some 17,8 square kilometers of desert – will be the largest single-site solar park in the world, with a planned output of 5,000 MW.

United Arab Emirates Panel-mounted Photovoltaic Power Generation
