

# **What brands of battery cabinets are there in Switzerland**

## Overview

---

Who makes BMZ batteries?

Founded in 1994, BMZ Group is a battery manufacturer with over 30 years of experience, with multiple facilities and branches globally. BMZ specializes in mass-producing custom lithium batteries, such as cylindrical, pouch like lithium-ion and solid-state, and prismatic batteries, adaptable to specific energy storage and transmission needs.

Where are SAFT Batteries made?

Founded in 1918 and a subsidiary of TotalEnergies since 2016, Saft Batteries is headquartered in Paris, France, with multiple production facilities and R&D centers worldwide. Saft produces millions of battery cells annually, covering various markets.

What makes libattion a good battery storage company?

Libattion's battery storage guarantees a stable and regular power supply. Our systems are fire-safe and fully certified. We customize commercial energy storage for your needs and budget. Rooted in Swiss precision and environmental stewardship, we develop and operate the most versatile battery systems for industry and commerce.

How does a battery company promote Europe's battery production independence?

It aims to promote Europe's battery production independence by using renewable energy for sustainable battery manufacturing. The company focuses on lithium-ion battery production and is developing high energy density and long-lasting battery technology.

Where are Freyr batteries made?

In February 2023, they signed a partnership with Gotion to develop joint electric vehicle batteries in Central and Eastern Europe, launching their first

battery production line in Slovakia. Freyr is a Norwegian company focused on producing sustainable batteries primarily for electric vehicles and renewable energy sectors.

What type of battery does Saft use?

Saft produces millions of battery cells annually, covering various markets. They employ diverse battery technologies, including lithium-ion, nickel-cadmium NiCd, and nickel-metal hydride NiMH. The company focuses on high performance, durability, and safety, particularly in extreme conditions.

## What brands of battery cabinets are there in Switzerland
