

# **What is the inverter voltage in Equatorial Guinea**

## Overview

---

Equatorial Guinea uses power plugs and sockets of Type C and Type E, with a standard voltage of 220 V and a frequency of 50 Hz. If your devices are compatible with these specifications, you will not need a power adapter.

## What is the inverter voltage in Equatorial Guinea

---

### Equatorial Guinea Voltage Standards and Power Plug Types

Complete guide to Equatorial Guinea power plug standards. Find voltage and frequency information for Equatorial Guinea, plus the plug types used in Equatorial Guinea.
